“DIVORCE TALK” - A NEW PODCAST PRODUCED IN TRAVERSE CITY IS LAUNCHED

TRAVERSE CITY, MI, MARCH 9, 2007 – *Divorce Talk* is a podcast, or online radio program, that provides education and information about the cooperative divorce process. *Divorce Talk* is available online at the iTunes Music Store, the DivorceConnections.com website and other online podcast directories at no cost to subscribers.

Episodes are planned to be released twice monthly and will feature guests that specialize in the various areas of personal life that require attention during this life transition (e.g. attorneys, psychologists, therapists, financial planners, CPA’s, etc.).

“The podosphere has exploded all over the world” says Jim Casler, Executive Director of Divorce Connections LLC, which publishes the *Divorce Talk* podcast. Casler continues, “*Divorce Talk* is a way to take advantage of new technology and changes in social trends, namely, how people gather information. This simply provides us another way to help educate people and provide as much good information as possible for people going through this difficult life transition. We’re excited and look forward to helping as many people as possible.”

More information is available at the Divorce Connections LLC website at DivorceConnections.com

About DivorceConnections.com

DivorceConnections.com is the online home of Divorce Connections LLC, established in 2007 and headquartered in Traverse City, MI. It is an educational resource developed by a team of legal, emotional and financial experts to help guide people through the Cooperative Divorce process, an alternative way to divorce. This multi-disciplinary team approach addresses the fundamental areas of private life helping clients create longer-lasting solutions for the entire family. Additional information is distributed and made available throughout various communities at places of worship, community help centers and select offices of attorneys, therapists and financial planners. The DivorceConnections.com website features various articles, studies, reports, streaming video and audio presentations and complete contact information for those in need of additional information.
